

Welcome to a new year of dance and tumbling!

- Our office will not be fully staffed at this time since we are doing drop-off/pick-up at the door to keep our buildings less crowded. You are encouraged to pay via PayPal, Venmo or have a credit/debit card on file with us. If you would like to pay by check or cash, please send it to the studio with your child in an envelope with your name on it.
- The easiest way for us to manage all of the shoes is for you to complete the online order form for shoes:
<https://docs.google.com/forms/d/1u1PP2oAJeMNL8BUVlj1GyCGs7DTRKpOvmSjpnZC0n5M>
- Send shoes that don't fit in a labeled Ziploc bag with your child.
- If your child is on the used shoe list and does not receive shoes in the next two weeks, we will order new ones. If you would like to not wait another week and have us go ahead and order new, please email the office.
- We have very limited lobby space in our building, so we kindly ask that parents not sit on the stairs or on the floor in the office or lobby to wait for their child – it just gets too crowded. We also do not have room for parents to watch class in the studio. We are encouraging everyone to drop-off/pick-up at the door to continue to help limit the spread of COVID-19.
- If you are worried about your little dancer being upset/having some tears please know that this is normal, and we are quite used to it 😊 After many years of trying many different things we have found that it works much better if parents don't stay to observe. Through dance we are trying to help little ones become more confident and independent. In the first few weeks it is common to have some tears when it is time for mom or dad to leave, but we are better able to distract them, entertain them and teach them if we are not competing with the people that they love the most 😊
- We are asking students to please hang up jackets on the coat hooks and place street shoes in the shoe racks when arriving for class.
- Newsletters, Billing Statements etc will all be sent via email.
